THE BIGGEST CONSERVATIVE

in th

Turning Point's annual AmericaFest conference will be held December 18–21, 2025, at the Phoenix Convention Center. This year's event will be unlike any other - a powerful celebration of faith, freedom, and the legacy of our founder, Charlie Kirk.

Charlie's life was a testament to faith, courage, and conviction. From his earliest days, he believed America was worth fighting for - and he dedicated every moment of his 31 years to that cause. Grounded in God's truth and driven by a calling bigger than himself, Charlie poured his life into others, raising up a generation bold in faith, steadfast in love of freedom, and unafraid to defend this nation.

What began as the vision of an 18-year-old in a small garage in Lemont, Illinois, grew into one of the most powerful grassroots movements in America. Through Turning Point, Charlie ignited a fire in the hearts of millions. He showed us that truth must never be silenced, that courage is contagious, and that freedom must be protected at all costs.

At AmericaFest 2025, we gather to honor Charlie's legacy - to continue the mission he began and to celebrate the country he loved. Over four unforgettable days, thousands of attendees will hear from the nation's top leaders, engage with over 100 partner organizations, and experience world-class training designed to strengthen their leadership and activism.

Following this one-of-a-kind event, you will return to your campus or community more energized than ever - ready to carry Charlie's torch and fight for America's future. Though our hearts are heavy, we do not grieve as those without hope. Charlie's legacy endures in his family, in Turning Point USA and Turning Point Action, and in every person he inspired to live with conviction.

This December, we will move forward together - fighting harder, standing taller, and refusing to surrender.

We can't wait to see you in Phoenix for AmericaFest 2025: A Tribute to Charlie Kirk.
